PROGRESS

Are you ready???

Students are getting back into the groove of the school year. Part of that groove is getting to know what Missouri Phi Beta Lambda has done over the summer and plans to do this year! This summer Missouri PBL sent dozens of representatives from several schools to attend the National Leadership Conference in Nashville, Tennessee. We had many winners, and they are listed on the next page. This year you can be sure to have a great time by attending all of our conferences. You can meet your state officers and make friends with members from around the state. Hang with us all year as we wind our way towards Chicago; the site of the 2007 NLC and the place to earn your ticket to the future.

New officers

The following names are the students who are working for you and representing you and our organization on the state and national levels:

Upcoming Conference!

The Missouri State Officer Training Conference is coming up, September 30th at Evangel University in Springfield, Missouri. The cost is \$20 per person. Join us for small group workshops, lunch, and keynote speaker Peter Herschend (co-owner of Herschend Family Entertainment!) Please contact Jacob Williams (william3944@evangel.edu) by September 23rd if you are planning on attending. The conference is rewarding even if you are not planning on becoming an officer, and attending may make you think otherwise.

Don't forget...

Remember, this report is also about you! If your chapter is doing community service or putting on an event, send pictures and a short explanation to MO.PBL.REPORTER@gmail.com.
